

# s80 Constitution

Dear Matt,

*s.80 of the Australian Constitution simply reinforces the Right to Trial by Jury existing in all the States at the time of Federation and says that the same applies to offences against Federal Laws. All Australian "Judges" (including those in the High Court) disobey the Rule of Law. They are frightened to death by the very idea of Trial by Jury. My book and Transcripts & Judgments (all <http://www.rightsandwrong.com.au> ) are evidence of this. In a nutshell: It's called "Judicial Corruption & Treachery".*

Yours sincerely,  
John Wilson.

**HI John,**

COMMONWEALTH OF AUSTRALIA CONSTITUTION ACT - SECT 80  
Trial by jury. The trial on indictment of any offence against any law of the Commonwealth shall be by jury, and every such trial shall be held in the State where the offence was committed, and if the offence was not committed within any State the trial shall be held at such place or places as the Parliament prescribes.

Whats going on when we have our own constitution stating the law?

Matt

Dear John,

They know they are as guilty as hell ... so, they want to block access to our Courts.

Yours sincerely,

Right on John, these judges need to hear from us. I salute you.
