

# Scientology vs. Psychiatry

Hi Bonita,

Just for more clarification;

Of course there are many, many wonderful folks who happen to belong to Scientology. There are also, many psychiatrists who are capable, well-meaning and caring individuals.

My comments were meant to be directed towards various forms of systemic corruption, in certain institutions.

Well-meaning psychiatrists would be more effective with the use of Orthomolecular techniques. If Tom Cruise became a booster of ORTHOMOLECULAR PSYCHIATRY, as MARGOT KIDDER did a while back, I might pay more attention.

I have stated before, that the practise of HYPNOSIS should be banned in all it's forms.

Also, that was not meant to be a condemnation of Tom Cruise. I applaud his efforts but wish he would become more informed, and divest himself of Scientology.

HI BONITA,

I AGREE WITH YOU WHEN YOU SAY THAT HIS STATEMENTS MAKE SCIENTOLOGY LOOK BETTER TO SOME OF THE UNCONTROLLED OPPOSITION FOLKS. ESPECIALLY, SOME OF THOSE WHO HAVE AN AXE TO GRIND WITH PSYCHIATRY. WHAT A COUP-- -TO HAVE A HOLLYWOOD STAR BOOST YOUR CULT...AND FOR FREE!

ITS SIMILAR TO HAVING BONO/ BOB GELDOF BOOST ECONOMIC AID FOR AFRICA (WHICH WESTERN GOVERNMENTS WILL HAND OUT ANYHOW. DEFLECTION---THE REAL CAUSE OF STARVATION IN AFRICA IS FOREIGN ECONOMIC AND BIOLOGICAL WARFARE AGAINST AFRICA.)

SCIENTOLOGY ALWAYS WAS ANTI-PSYCHIATRY---ALL THE CIA CULTS COG'S AND COM'S (CONTROLLED O[PPOSITION MOVEMENTS PLAY THESE DECEPTIVE GAMES. YOU NEED TO LOOK AT WHO TYHEY REALLY ARE; BOTH BEHIND THE SCENES, AND HISTORICALLY.

FOUNDER RON L. HUBBARD AND HIS EXTREMELY NONSESICAL RAMBLINGS WAS A VERY TWISTED PERSONALITY; A SATASNIST, CVONFIDANTOF SCOUNDRELS LIKE CROWLEY, CONNECTED TO MENGELE ETC. OF COURSE HE KNEW THAT PSYCHIATRY, WHICH IS NAZI SCIENCE, WAS NONSENSE. THE CIA AT IT'S INCEPTION, IMPORTED MANY FORMER SS DOCTORS AND SCIENTISTS TO FILL ITS' RANKS.

CIA AND OTHERS WILL OFTEN GET PEOPLE TO FALL INTO THESE TRAPS BY USING THIS RUSE. MANY OTHERS, AS WELL.

ONE OF THE UNPUBLICIZED PRESENT-DAY ACTIVITIES OF THE SCIENTOLOGY CULT IS THE MASS-PRODUCTION OF SPLIT PERSONALITY (DID0 MANCHURIAN CANDIDATES, FOR SOME UP-COMING CALAMITY.

DO YOU REMEMBER THE STUFF I POSTED FROM HELEN, AN ESCAPEE FROM A TORONTO COMPANY, WHICH WAS A SCIENTOLOGY COMPANY THAT IS PUTTING ALL THEIR EMPLOYEES THROUGH THIS TORTURE? AND WHEN HELEN DROVE TO TORONTO TO MEET ME, THERE WERE COPS ALL OVER THE PLACE; LISTENING IN, SENDING OVER SOME SCARY CHARACTER---EVEN HER CAR WAS STOLEN DURING THOSE 2 HOURS! THE TORONTO POLICE-SOME OF THEM- ARE DEFINITELY NWO!

Hi Steve,

I have been waiting for some comments from you about the statements made by scientologist Tom Cruise about psychiatry and drugs, even medicinal, being dangerous. His statements make the Scientology religion look less sinister don't you think?
