

## ***Quackwatch.com" Author Stephen Barrett COMES UNGLUED in Deposition...***

The "[quackbusters](#)" are not having a good year. I'm pleased. And today, things got even better.

Today, in Allentown, Pennsylvania, failed MD [Stephen Barrett](#), the author of "[quackwatch.com](#)", and a myriad of other dubious websites, met disaster in a room filled with attorneys - and it was all recorded on video tape.

About 2:00PM Eastern Standard Time, Barrett, who was the deposed person, apparently was asked a question he didn't like, and his response was DRAMATIC. For the next two hours he couldn't stop talking, yelling, and generally having a temper tantrum. I'm told it was a sight to behold...

Barrett, who was being deposed as a **conspirator** in the [Cavitat v. Aetna Federal RICO \(racketeering\) case](#) was being asked very pointed questions about his activities, when he came unglued. But, one thing apparently came through quite clearly - he blamed Robert Baratz, the president of the defunct National Council Against Health Fraud (NCAHF) for everything.

Tomorrow, Baratz gets deposed in Boston, Massachusetts. [Baratz](#), you may remember, doesn't do well when being questioned about his history.

Saturday, Dodes, the author of the article in question, that Barrett put on "[DentalWatch.com](#)," gets deposed in New York.

[Will the "Quackbusters" survive 2005?](#) No, they won't.

We are heading for a health care "[Nuremberg...](#)" And, it's about time...

Stay tuned...
